I.J. Samson Junior High School Council

On behalf of the I.J. Samson Junior High School Council, let me take this opportunity at the beginning of Teacher/Staff Appreciation Week to thank all teachers and staff of I.J. for their unending commitment to our children - your students - in the I.J. school community.

This week is set aside to recognize all the teachers, administration, guidance personnel, support staff and school bus drivers who give so much for the students fortunate to be enrolled at I.J.

Each of you plays an integral role to inspire I.J. students to achieve to their maximum academic, personal and moral potential.

On behalf of entire I.J. Samson school community who place their trust in you each and every day of the school year, I want to express our heartfelt gratitude for all your efforts to make our school the very best that it can be!

It certainly does take a whole village to raise a child!
